ALTIUS NAMED GATEKEEPER OF THE YEAR

November 2009

For an unprecedented third year in a row, Altius Associates is delighted to announce that it has been named “Gatekeeper of the Year” at Private Equity News’ Awards for Excellence in Private Equity Advisory Services.

This is the only awards ceremony of its kind in Europe, being dedicated exclusively to recognizing the successes of private equity advisory firms. The winners were decided by a panel of independent adjudicators – including senior private equity practitioners and institutional investors.

John A. Hess, the Chief Executive of Altius Associates, said: “To be recognized as Gatekeeper of the Year for an unprecedented three years in a row is a great achievement as it is a reflection of the hard work of the Altius team, and the well-regarded reputation of our firm amongst investors and peers alike. Our disciplined approach, focus on detailed research, and commitment to the highest levels of client service will continue to be our core values.”
